

UI and Web Designer

Position Description

- > UI/UX design for projects that cover native software, web-based software and mobile.
- > Web & graphic design for marketing projects, both digital and print.
- > Take UI projects through every stage of design, including research, wire framing, UX workflows/user journeys, design iterations, testing, and final design delivery.
- > Collaborate and work closely with our developer and global marketing teams.
- > Create and conduct user research and usability testing.

Start date: ASAP (upon agreement)

Job Requirements

- > Bachelor's Degree in Graphic Design, Web Design/Development or related field is preferred, but equivalent work experience will be considered.
- > 2+ years of UI and interactive design experience.
- > Strong portfolio that demonstrates interactive design experience and familiarity with UX.
- > Expert proficiency in Adobe CC - Photoshop, Illustrator, Dreamweaver are mandatory; Animate and Premiere Pro are a plus.
- > Mastery in fundamental visual, typographic, interactive design disciplines and principals.
- > Solid proficiency in HTML, HTML5 and CSS; JavaScript is a plus.

Apprise is a global leader in consumer goods distribution software. From our headquarters in North America, and global locations in Europe, Asia and Australia, we provide business management solutions, services, and support to companies all over the world—and help bring thousands of consumer brands to market every day.

We need someone who has the ability to:

- > Problem solve, with a passion for creating outstanding user experiences.
- > Produce great UI design, incorporating UI and UX best practices.
- > Work quickly, efficiently, and accurately.
- > Keep files and projects organized.
- > Approach design problems conceptually and see the big picture.
- > Work well within a team and get stuff done.
- > Collaborate with other teams effectively.
- > Communicate with excellent English skills, verbal and written.

What we offer

- > Full-time job employment contract for indefinite period, working regular business hours only.
- > Work in an international environment with pleasant atmosphere in modern office in Brno.
- > Training for new employees, usage of English language on a daily basis.
- > Opportunity for career and professional growth.
- > Wide range of benefits (meal vouchers, cafeteria system, Multisport card, English or Czech lessons, partly flexible working hours, home office possibility, extra week of vacation after 2 years by company, 4 sick days per year, etc.)
- > Fruits, snacks plus other refreshments and game room at workplace, team buildings.
