We Are The Moving Minds

Who are we?

A dynamic group of 3 Flemish university colleges, KHLeuven, KHLim and Groep T, have joined forces under a brand new name UC LEUVEN-LIMBURG (UCLL) Together, we are Flanders' largest university college and we are becoming one single higher education institution as of September 2015.

Where are we located?

Campus Proximus is located in Leuven

How to reach us?

Leuven is easy accessible by public transport. If arriving by air at Brussels Airport, take the train to Leuven at the railway station in the airport building. To reach the campus, you can take a bus.

We Are The Moving Minds

Description of the project

During this project, you'll learn the possibilities of Big Data by developing a real cloud solution, learning the concepts of FaaS.

Expert lectures, workshops and working on the project are incorporated to help you in this mission.

Goal

At the end of the project, you'll present your application and you'll have had a great experience with your fellow students and teachers

Accommodation for students

You will be staying at the Youth hostel Blauwput next to the railway station

Registration for students

The registration fee of 230 euro includes 5 nights with breakfast, 5 lunches, 1 dinner, social and cultural activities
