

## OPPONENT'S OPINION OF BACHELOR THESIS

Study programme:	International Territorial Studies
Department:	Department of Social Development
Author of thesis:	Barbora Bílková
Name of thesis:	The system of custody of people with handicap in Chile and possibilities of its improvement
Supervisor of thesis:	Ing. Mgr. Jiří Čeněk
Opponent of thesis:	Mgr. et Mgr. Miroslav Horák, Ph.D.

**TYPE OF DIPLOMA WORK:** theoretic

**ASSESSMENT OF THESIS:** (always add verbal comments)

### 1. COMPLIANCE WITH REQUIRED ASSIGNMENT:

Requirements included in the assignment were fulfilled. There is a wrong version of Declaration included in the thesis.

### 2. WORK WITH ACADEMIC LITERATURE:

Minimum serious scientific sources are cited in the "References" section. In some sections, references are missing (e.g. 8.1) or they are not related properly to the source of information (e.g. 6.1).

### 3. CONTENT LEVEL OF WORK:

There is almost no original input from the author. The content is mostly based on simple presentation of national policies. No analysis of law regulations was performed, although it was proposed as a method in Introduction.

Chapter 3 does not belong to thesis focused on Chilean policy.

Comparison of Chile and Denmark has no meaning without logical framework and comparable criteria.

### 4. FORMAL LAYOUT:

Pink cover of the thesis looks inappropriate. The document should be interesting more by its contents than design.

Abbreviations are used in Contents without their previous explanation. "List of abbreviations" should be included at the beginning of the thesis.

Typos are occasionally occurring in the document, e.g. table borders are outside page margins (p. 27), individual characters are left at the of the line (p. 29).

Descriptions of graphs are commonly placed below figures. In this thesis they are located above them.

Different quotation marks are used in some pages (e.g. p. 18, 21).

**SPECIFIC REMARKS AND COMMENTS ABOUT THE THESIS:**

Thesis was delivered to the opponent one week after deadline.

**DEFENSE OF THESIS:** recommended

**FINAL CLASSIFICATION PROPOSAL:** E
